

2009 D'YOUVILLE FOUNDATION ANNUAL REPORT

A Letter from the Foundation Director and President and CEO

(From left to right) D'Youville residents Alice Sullivan, Lillian "Doris" Johnson and Andrea Golas wake up their muscles at D'Youville's first BEE Fit Club exercise class.

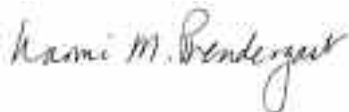

(From left to right) Bruyere Gardens tenants Louise Hinkel, Sr. Irene Prudhomme, and Patricia Blanchette get moving during D'Youville's BEE Fit Club.

Dear Friends:

We are pleased to present you with the Foundation's annual report for 2009. We look forward to sharing these with you going forward. Thanks to your support, 2009 was an especially successful year for the D'Youville Foundation, highlighted by the opening of our new park in May. The park was made possible by the generous donations of many contributors over the past three years. Since May, the park has been the setting for a variety of special programs, including the D'Youville BEE Fit exercise club and the Foundation's first Summer Concert Series. During good weather, the park and its gardens are enjoyed by many of our residents, tenants, and their families on a daily basis. We are looking forward to welcoming our friends back to the park this spring!

As we celebrate D'Youville's 50th anniversary throughout 2010, we are mindful of the need to prepare now for the next 50 years. While we cannot predict all of the ways in which senior care will evolve in the decades ahead, it is likely that our desire to provide the best services possible will surpass the level of reimbursement available from public sources. This year, the Foundation will focus on building our endowment as an investment in the future of our mission. With your help, we are confident that the funds raised this year will echo the passion and commitment that began with the Sisters of Charity of Ottawa 50 years ago. Thank you for your continued support of our mission!

Best wishes,

Naomi M. Prendergast
President and CEO

Lisa Couture
Foundation Director

Residents, tenants and family members listen to the music of the The Gentlemen Songsters at the Foundation's Summer Concert Series.

(From left to right) Claire Valcourt, resident Noah Dupont, and Bernie Valcourt enjoy one of the Foundation's Summer Concerts in the park.
